SHIRE CRUISERS
SOWERBY BRIDGE

WELCOME TO YORKSHIRE...

This brochure gives you all the information you need to plan and book a boating holiday with Shire Cruisers. We are a long-established family firm, and have built up a reputation for quality: both in our service and boat-handling training, and in the design, fit-out and equipment of our boats.

Our varied routes give access to the best scenery in the North, including the strikingly beautiful Yorkshire side of the Rochdale Canal, many people's favourite waterway. Our second base, on the summit of the Leeds & Liverpool Canal, is ideal for a leisurely exploration of the edge of the Yorkshire Dales.

The northern waterways are uncrowded, with enough other boats for company and interest, but you seldom see queues at locks or moorings. So leave the crowds in the midlands, and find a new boating freedom with Shire Cruisers.

Our boats and our all-important training programme are independently assessed, to help us ensure you get the quality you deserve.

Whether you are an experienced boater or have never been before, and whether you have three days or three weeks for your boating holiday, we very much look forward to welcoming you.

Nigel and Susan Stevens

QUALITY ASSURED...

Your holiday is important to you. So it's important to us that your boat provides everything you expect of it, and that our service is all that you require.

We design and fit out all our boats ourselves. Careful planning and meticulous craftsmanship make our boats comfortable, light and pleasant to be in. Constant attention by our dedicated team keeps the boats in excellent condition. And we make sure they're well equipped and clean. Just in case you need it, we provide 24-hour backup service. We ask VisitEngland to check that we are keeping up to standards you expect.

We believe our information service, from booking to holiday, is unrivalled. We know our local waterways well and are happy to advise on routes before you book.

As soon as you've booked, you will be able to see our Information Pack online. This contains the Canal & River Trust Boater's Handbook and film, plus our exclusive Holiday Guide and Route Companion giving detailed information on your boat and its contents, routes, arrival information, and everything you need to know.

On board are our comprehensive boat manual with safety and timing information, and guide books, so you can take your holiday with complete confidence. We take great care with our boat handover and lock instruction, which are Quality Accredited by British Marine. We shall do all we can to make your holiday with us the greatest success.

What's on board

We give you a wide choice of boats and accommodation layouts. Some boats have fixed double beds. On others you can choose whether a cabin has a fixed double or two fixed singles – we set it up as you request. The beds go lengthways so there is always room to walk past. Many boats have two loos.

All boats have forward facing windows, radiator central heating, showers, fresh water flush toilets, four-burner cookers with grill and oven, microwaves, fridges (with icebox), filtered drinking water, lots of worktop and storage space, colour TV/DVDs, radio CDs, hair dryers and power points for your phone chargers and hair straighteners.

A full inventory, bed linen and cruising guides are supplied. Please bring your own towels or order ours at £5.00 a set, unless coming from overseas when we will supply them free. Bed guards can be fitted for babies.

For detailed specifications and pictures of every boat, showing the different bed arrangements, see our website.

DISCOVER...

... a new view of Yorkshire, where the scenery is grander, the waterways less crowded – and the beer cheaper!

Three canals cross the Pennines, each having its own character, but sharing the boldness of their creators, and of those who have restored parts which once were closed. Today you can see their history all around as you travel, and also how the West Riding is adapting to 21st century life.

The **Leeds & Liverpool**, to the north, makes its way through glorious scenery from major cities to the edge of the Dales. Explore this from our Barnoldswick base, or for experienced crews, on a one way trip.

The **Rochdale**, in the middle, is a broad canal which punches across the Pennines. Boaters enjoy its romantic scenery and stone-built towns as they climb towards the summit.

The **Huddersfield Narrow**, to the south, gives dramatic views of the moors as it climbs towards the longest and highest canal tunnel in Britain.

These three canals are linked on the Yorkshire side by river navigations:

The **Calder & Hebble** is an old navigation, hidden in the trees.

The **Aire & Calder** is a modern waterway which successfully mixes growing pleasure traffic with environmentally friendly bulk transport.

Our Yorkshire waterways offer a fresh discovery round every corner. Whichever bit you want to explore, we can get you there.

The map shows where your journey can take you, and on later pages you will find descriptions of sample routes, next to the boats you can travel on.

Routes from Sowerby Bridge – SHORT BREAKS

The routes shown are examples – there are many more on our website, but the whole point is that you are free to go as you please. Mileages and times (for guidance) are for the return trip.

1. Hebden Bridge & Stubbing Wharf 14 miles • 20 locks • 11 hours return

Leaving our historic canal basin, your journey begins with the excitement of a short new tunnel and the deepest lock in the country. The canal gradually climbs through woods, fields and small stone towns to Hebden Bridge. This old mill town nestles in a fork in the hills, houses piled tier upon tier. Hebden has excellent shops and is full of surprises – everything from horsey clothing to hand-made pottery.

Turn before Lock 12, and spend the night at the Stubbing Wharf, our customers' favourite pub.

Next day, head back home.

2. Shepley Bridge 23 miles • 32 locks • 16 hours return

Sail down the leafy Calder & Hebble Navigation to Elland, with a canalside pub. A wider part of the valley with woods, lakes and views of the river takes you to Brighouse, an interesting town with useful shops and places to eat as well as the eponymous brass band. Leave the canal and drop into the River Calder. Pass under a towering motorway viaduct, a reminder of the world you left behind. The river winds on its timeless way, until you arrive at Shepley Bridge. Pubs in Mirfield will refresh you for your return journey.

3. Hebden Bridge & Brighouse 28 miles • 46 locks • 22 hours return

Go to Hebden Bridge (Route 1) and take time relaxing in this enticing and quirky town. Come back down to Sowerby Bridge (turn up and go for lock passage Friday to Monday, but you will need to book a lock passage for Tuesday to Thursday), then carry on down the Calder Valley, through the locks at Salterhebble and on to Elland Wharf, home of the Barge & Barrel. Stop to explore the riverside nature reserve at Cromwell Bottom, before arriving in Brighouse, an interesting town with useful shops and good pubs and places to eat as well as the eponymous brass band. At length, make your way back to Sowerby Bridge. Opportunities for walks, shops – or doing nothing!

4. Selby 96 miles • 68 locks • 40 hours return

From Shepley Bridge (Route 2), carry on through Wakefield, with its riverside Barbara Hepworth museum – then at Stanley Ferry see the aqueduct, like a miniature Sydney Harbour Bridge. 5. Skipton

At Castleford (Route 4), head up the River Aire to Leeds, sailing past the regenerated waterfront. Then join the Leeds & Liverpool Canal which quickly escapes along its own way through fields and woods. Don't miss Sir Titus Salt's Italianate mills and model town at Saltaire, with its Hockney museum. There are several staircase locks along the way, which culminate in the Five Rise Locks at Bingley, one of the Seven Wonders of the Waterways. Enjoy extensive views of Airedale all the way to Skipton. Don't miss the castle! Return the same way; this is a very energetic trip for the more experienced.

6. Sheffield
158 miles • 114 locks • 70 hours return

A fascinating canal journey through a rapidly rejuvenating area to the newly restored basin near the city centre. Enthusiasts enthuse; try it. Go almost to Goole, then turn right onto the New Junction Canal, heading straight across a flat landscape with enormous skies. Then turn again onto the South Yorkshire Navigation, still with huge electric locks. Finally you climb the older, smaller locks of the Tinsley Flight, and make your run into Sheffield Basin, where restored warehouses straddle the water, lit in strange colours at night. Take some time to explore the city centre.

Not so many locks, and many of them are electric, but still quite a long return journey.

Routes from Barnoldswick – THREE/FOUR & SEVEN NIGHTS

The routes shown are examples – there are many more on our website, but the whole point is that you are free to go as you please. Mileages and times (for guidance) are for the return trip.

THREE/FOUR NIGHT ROUTES

7. Summit relaxation 20 miles • 6 locks • 8 hours return

The ultimate in slowing down: take this route if you just want to switch off. After you set off, we'll escort you through the three locks at Greenberfield. Spend your first night near East Marton.

Next day, immerse yourselves in one of the remotest and most beautiful places anywhere on the canals, with sheep and birds in all directions. Turn before Bank Newton, and go back past the boatyard to Foulridge. Travel through the mysterious

tunnel and turn before the top of Barrowford, before making your way back. Don't miss the Abbot's Harbour at East Marton, the Anchor at Salterforth or The Wharf at Foulridge.

8. Gargrave 16 miles • 24 locks • 12 hours return

Go for Bank Newton (Route 7) and pass down into Gargrave, an unspoilt canal village with shops and a great choice of places to eat and drink – our favourite is the Masons Arms. Turn and moor above Higherland Lock before heading back.

SEVEN NIGHT ROUTE

9. Bingley 52 miles • 30 locks • 30 hours return

After Gargrave (Route 8) it's level for 17 miles, with views of the hills and lots of swing bridges. Quite suddenly, you are in Skipton, and can moor right in the centre of town. Explore the castle, cattle and street markets and shops. Carry on along the side of the Aire Valley, with extensive views

through the trees. Pass through the romantic village of Kildwick, clinging to the hillside with the canal going placidly through the middle. Silsden is a bigger town, with shops and eating places. Moor at Bridge 197A and walk down to East Riddlesden Hall NT, a 17th century manor house with fine garden; or get a bus to Keighley Station, and take the steam train (of Railway Children fame) to Haworth, and walk up the steep hill to the Brontë Parsonage. Turn at the top of the Five Rise and return to base.

You may find it more relaxing to make your turning point Skipton, in which case your journey time will be around 20 hours.

Information we provide in relation to individual waterways or suggested routes is for general reference only. Please see more about route availability on page 11.

QUESTIONS & ANSWERS...

We have not been boating before. Do we need experience or a driving licence?

No. The boats are easy to handle. In order to control the boat through the locks you need a minimum of two participating adults, who are not also looking after other people or dogs.

If you've not been on a narrow boat before, then we'll make sure you know what you need to. As soon as you book you will have our Information Pack which includes a film showing the right way to handle the boat and work locks, as well as detailed route information. There is more information in the manual and cruising guides on your boat.

When you start your holiday we will give you a thorough briefing on the waterway and your boat. One of our experienced staff will show you how to handle the boat and work the first three locks on your journey. As a Quality Accredited Boatyard, our boat handover procedure is independently audited by British Marine.

Which route should we choose?

If this is your first time on the canals, or you want a leisurely trip, choose an 'out & back' holiday so that you are not committed to any particular schedule. Our out & back routes from Barnoldswick are relatively light on locks.

If you have canal boating experience, enjoy locks and want an active holiday with about 8 hours boating a day – a one way trip might suit you. Ensure that your whole crew is keen to do this. There is lots more information on our website.

Are there lots of locks on all routes?

To get across the Pennines, the engineers built many locks. Experienced boaters often see the activity and skill of doing locks as one of the main attractions, and so prefer our more hilly routes. But some of our routes – particularly from Barnoldswick – are less heavily locked, so there should be something to suit everybody.

Are the canals easy to use?

It's fascinating to travel on waterways which are over 200 years old, but their age means that most structures are not of modern design. This is essential to their charm and you must make allowances if sometimes things are harder to use than you'd like.

How can we turn round?

Your map on board shows frequent turning points ('winding holes') so you can plan ahead. The turn itself is easy as long as nobody's watching...

Can we bring our pets?

Yes. We make no charge for one dog (or cat, hamster, goldfish ...). Please keep it off the upholstery. Extra dogs will be charged for.

Will the children be bored?

No. Children love to help at locks when they can. There are also lots of things to do along the way. As long as children are

sensible there is no danger, but we do recommend that they (and any adult non-swimmers) wear life jackets, which we provide free.

Do we have to pay for locks or moorings?

No. We pay the boat licence fees for all the canals, and towpath mooring is free.

Will we have enough fuel and gas?

You will have enough free fuel for about 2 weeks' normal cruising. If you need a toilet pumpout or additional gas we will repay you. On adventurous fortnights or longer trips, you may need to buy more diesel.

What linen will be provided?

Double or single duvet set with pillows, pillowcases and blankets as required. Your Information Pack will include a bedding order form. Tea towels are provided. Towels are available as an extra – free for those who book from overseas.

Will our car be OK?

All parking is free. At Sowerby Bridge, you will park in our yard, behind gates locked at night (you will have a key). Parking at Barnoldswick is in the marina car park.

What if we cancel?

You will forfeit your deposit, but may receive a partial refund of the balance, depending on how much notice you give, and whether we are able to re-let the boat. We recommend you to take out cancellation insurance. See Condition 6.

What about insurance?

You are covered for damage to the boat and third party claims for accidents involving the boat up to £3m. You would be responsible for deliberate or wilful damage up to £500. Our insurance does not cover you for **personal accident**, personal possessions or cancellation. We recommend that you obtain suitable cover.

Can we charge up our phone, and bring hair straighteners?

Yes. There are normal 3-pin sockets which can handle anything up to 1000 watts, including chargers, hair straighteners and sleep apnoea machines.

Is TV reception good?

Northern canals are mostly in the bottom of valleys, and reception is often poor. We suggest you watch important matches in the pub!

Can we bring bikes or canoes?

Yes - but they have to live on the roof, so please bring something to protect our paintwork.

Can we fish?

The fishing is let to many different clubs, only some of which issue day tickets. You must have a National Rod Licence.

QUESTIONS & ANSWERS...

Why are none of your boats longer than 56'?

To fit the short locks on the Calder & Hebble Navigation.

Are all routes available?

The Canal & River Trust is committed to keeping the waterways open during the cruising season. However, a waterway may sometimes need to be temporarily closed for repair following adverse weather or breakdown. We are responsible for your boat, but not for the waterways on which you plan to travel. Therefore we do not guarantee that any suggested route or waterway will be open to navigation during your holiday. In the event of temporary closure, Canal & River Trust would work very hard to reopen as quickly as possible. You might be subject to a short delay, or have to change your itinerary. We would give you advice and backup. You must make every effort to return the boat on time to the agreed base.

It's a good idea to have a Plan B in mind before you travel. We will try to let you know any planned waterway closures at the time you make your booking; you can also check on canalrivertrust.org.uk. After booking, we will do our best to keep you informed about any closures or restrictions likely to affect your holiday. We recommend you to sign up to CRT's email closure alerts, and when travelling on rivers to use CRT's handy Strong Stream warnings, which take effect at times of heavy rainfall. This is easy and useful. Full details are in your Information Pack.

What if we break down or have an accident?

You will have our helpline number. We will give you advice, or come quickly to sort out your problem.

When will our boat be ready?

Our takeover time is 1pm. You will appreciate that we're very busy until then making sure everything is right for you. There are good lunch places in Sowerby Bridge and Barnoldswick. Please start lunch early so as to be with us promptly at 1.00pm.

...and when do we give it back?

Please be back by 9am and let us have the boat clean and tidy by 9.30am.

How do we find you?

See map on back cover. We will meet anyone coming on a long journey if we know which train. For travel from overseas and to Barnoldswick, see 'find us' on our website.

Where can we stay the night before?

Recommended hotels and B&Bs are on our website.

Any more questions?

We'll be happy to tell you anything we can. It may help to discuss the features of different boats or routes before you choose; or even better, to look at the boats - but check which will be in the yard on the day you visit. There is a lot more information on our website.

All our boats are assessed by an independent inspector.

Star ratings reflect space, facilities and quality.

In 4 star boats, the saloon is only needed for a bed if extra persons are carried.

Additional discounts

You may claim ONE only of the following discounts, calculated after multi-week discount if applicable. This must be claimed at the time of booking.

Loyalty discount

2 previous holidays	6%

Applies only where holidays are booked in the same lead name.

Flotilla discount

If you book two or more boats in the same lead name for the same period, take 5% off the boat price of the cheaper boat(s).

All discounts are based on the boat price and do not apply to extras. These discounts are not available with outside offers.

Optional Extras

Extra adults or children

Many boats are shown with a variable berth number, e.g. Bedford 4+2 – meaning that there are 4 fixed berths, plus 2 convertible berths. The prices shown on page 12 are for the base number of berths – in this case, 4. The price you pay depends partly on how many people you bring – extra adults are charged £25 per week or part week; extra children are free.

When you do an online availability search (or ring us) you will be able to choose between e.g. Bedford 4 and Bedford 6 – these are the same boat priced for different numbers of adults.

Pick the version that fits the total number of your crew. If your '+2' are under 18, tell us when you book and we will reduce the price before issuing the Booking Confirmation.

Extra pets

The first pet is free; any extras (subject to our agreement) are charged at £25 per week or part week.

Towels

We provide towels free to those who book from overseas. For UK customers we can provide sets of towels – one bath and one hand towel per person – at £5 per set per head if they are ordered in advance, either at the time of booking or on your bedding Yellow Form.

Maps and guides

For planning your journey – see list on website.

Taxi transfer

From around £55 for a car, or £75 for a minibus, payable to the driver on the day.

Booking Deposit

20% of the total cost, minimum £125.

The balance is to be paid six weeks before your holiday.

Holiday Insurance

We insure the boat, including cover for your potential liability to third parties. You are only liable to pay the excess on this policy (or for non-claimable damage) if you breach Condition 9.3.

If you **cancel** for any reason, you may receive a partial or complete refund, depending on how much notice you give, and whether we are able to re-let the boat. Please see Condition 6.

Our insurance does not cover you for:

- **Personal accident**
- **Personal possessions**
- **Cancellation**

We strongly recommend that you take out holiday insurance to protect against these and other risks. If you do not already have suitable insurance, you can readily obtain it on the internet.

2. AGREEMENT TO HIRE

2.1 When You request a booking, You are making an offer to hire a boat on these Conditions. Booking requests will be accepted via the Company's website, over the telephone, by email, in person, or by the Company's appointed agents.

2.2 The Agreement will be effective once the Company accepts Your booking and sends You a Booking Confirmation. You may cancel a booking at any time before You receive the Booking Confirmation from the Company. Similarly, the Company may hire the boat to another party at any time before they send You a Booking Confirmation if You fail to pay the Deposit.

2.3 You are responsible for the accuracy of the personal details and any other information supplied in respect of You and your Party. When You receive the Booking Confirmation please check the details carefully and inform the Company immediately if anything is incorrect.

2.4 The Company is not responsible for maintaining or administering the waterways. Any information provided to You by the Company as to a suggested route or particular waterway is provided for general reference only. The Company makes no representation, or offers no guarantee or warranty, that any particular waterway or suggested route will be open or available for navigation during the Hire Period.

3. PRICES AND PAYMENT

3.1 The Company's advertised Prices are in pounds sterling (£) and include Value Added Tax (VAT) at the rate applicable on the date of the Booking Confirmation. If after the date of the Booking Confirmation the rate of VAT applicable to Your hire changes and/or any other tax, levy or local authority charge becomes applicable to Your hire, the Company reserves the right to amend the Price accordingly.

3.2 The Company reserves the right to correct errors in advertised or quoted prices before or at the time of booking and will confirm the correct Price in the Booking Confirmation.

3.3 Subject to Condition 3.1, the Booking Confirmation sets out the total Price that You must pay to the Company under the Agreement.

4. YOUR PARTY

4.1 Personal agreement and obligations

The Agreement is a personal one between You and the Company and Your identity(ies) and the identity of members of Your party are a material factor in the Company's decision to enter into the Agreement. You must be at least 18 years of age at the time of booking and possess the legal capacity to make the booking. You must be authorised by all other members of your party to enter into the Agreement and accept these Conditions on their behalf. The full names and permanent addresses of all members of your party, with the ages of children, must be provided to the Company at the time of booking. All changes in Your party (the addition, substitution or removal of any member of the party) which take place at any time after the Booking Confirmation has been issued (including during the Hire Period) must be communicated in writing and approved by the Company (such approval is subject to these Conditions, but otherwise not to be unreasonably withheld). You are responsible for making all members of Your party aware of the terms of the Agreement.

4.2 School parties, youth groups, hen or stag parties, commercial purposes

Unless expressly agreed in the Booking Confirmation, the boat may not be used for school parties, youth groups, hen or stag parties or for any commercial purpose.

4.3 Disability and reduced mobility

If you or any member of your party has a disability and/or reduced mobility that may affect Your booking, it is Your responsibility to notify the Company when making the booking or, if such disability and/or reduced mobility becomes apparent after the booking, no later than 48 hours prior to the Start Date. Subject to the foregoing, although the Company has no expertise in this subject matter, the Company will try and advise you as to the suitability of the boat you have chosen to hire on possible alternatives but You acknowledge that certain space restrictions and practical safety considerations apply on board boats which may prevent a person with a disability or reduced mobility from accessing the boat and/or complying with all safety requirements. Where You have made a booking and You or a member of Your party subsequently becomes disabled or otherwise a person with reduced mobility the Company may not always be able to accommodate their needs. If in the Company's reasonable opinion it is unable to properly accommodate the needs of the person(s) concerned or if You do not accept such alternative arrangements as the Company may offer, the Company may, without liability, treat this as a request to terminate Your booking and Condition 7.1 shall apply. The Company may require the person(s) concerned to produce a medical certificate certifying that they are fit to participate in the hire of the boat. The Company shall not be liable for any loss or damage caused as a result of a disability and/or reduced mobility, save where such loss or damage is caused by the negligence of the Company and results in death or personal injury. Details of the Company's facilities are set out on its Accessibility page.

4.4 The use of alcohol and illegal drugs; Company's right of immediate cancellation

You must not navigate the boat while You or anyone on board is, or appears to be, under the influence of alcohol or illegal drugs.

5. CHANGES AND TRANSFERS REQUESTED BY YOU

5.1 Bookings may only be changed with the written agreement of both parties and in accordance with these Conditions.

5.2 If You wish to change or transfer Your booking, the Company will use reasonable endeavours to accommodate such changes, provided that notification is received in writing from You. The Company reserves the right to charge an administration fee of £50 in addition to any increase in the cost of the booking due to such changes. No refund will be given where any agreed changes would otherwise have resulted in a lower Price for Your booking.

5.3 Transfers can only be permitted during the same calendar year.

5.4 Only one transfer is permitted.

6. CANCELLATIONS REQUESTED BY YOU

6.1 This Agreement is a legally binding contract and may only be cancelled in accordance with these Conditions. You have no statutory right of cancellation under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013.

6.2 If You want to cancel the Agreement You must give the Company email or other written notice (the "Cancellation Notice"). The date of receipt of the Cancellation Notice shall be the effective cancellation date.

6.3 If You cancel the Agreement:

6.3.1 before the Balance is due, the Deposit will not be refundable. The contract shall be discharged and You will not remain liable for the Balance.

6.3.2 after the Balance is due but before You have paid it, You will forfeit the Deposit and remain liable to pay part of the Balance, according to the table in Condition 6.4.

6.3.3 after You have paid the Balance, the Company will partially refund You so that the total You have paid is as set out in Condition 6.4.

6.4 The Company shall make the following charge for cancellation ("Additional Cancellation Charge"), dependent on the proximity of the cancellation date to the Start Date:

DAYS BEFORE START DATE WHEN CANCELLATION NOTICE RECEIVED	Additional Cancellation Charge
More than 42	nil
29-42	50% of Balance
8-28	75% of Balance
7 or less	95% of Balance

6.5 After cancellation by You, the Company will try to re-let the boat. If the Company re-lets the Boat to a new customer or customers for the Hire Period or part of it then the proceeds will first be applied to make up any shortfall between the

amount previously paid by You and the full Price of Your holiday.

6.6 Any remainder not exceeding the Balance or Additional Cancellation Charge previously paid by You will be returned to You after deducting an administration fee of £50 for each replacement booking together with any commission paid to agents for re-letting the boat.

6.7 Cancellation terms apply to the whole party and do not provide for partial refunds in the event of withdrawal by one or more members. If You have booked more than one boat for the same Hire Period, the cancellation of each will be considered separately.

6.8 Any holiday may be cancelled for any reason before 31 December the previous year and the Company will refund all monies paid less any commission paid to agents.

6.9 YOU ARE STRONGLY RECOMMENDED TO PROTECT AGAINST CANCELLATION LIABILITIES BY TAKING OUT CANCELLATION INSURANCE.

7. CANCELLATION BY THE COMPANY

7.1 The Company may at any time by written notice to You terminate the Agreement with immediate effect:

7.1.1 in accordance with Condition 4.3;

7.1.2 in accordance with Condition 8.4; or

7.1.3 if there is a Force Majeure Event which for whatever reason prevents the Company from performing the Agreement.

7.2 Where the Company terminates the Agreement in accordance with Conditions 7.1.1 to 7.1.3 inclusive, the Company shall, save where otherwise agreed in writing with You, refund the Deposit and all other amounts paid by you and shall have no further liability thereafter.

7.3 The Company may refuse to hand the boat over to You and/or repossess the boat at any time after the Start Date and in either case terminate the Agreement if:

7.3.1 You fail to pay any amount due under the Agreement;

7.3.2 You or any member of Your party cause damage or loss to the boat, its services or facilities;

7.3.3 the Company considers that You are, without the Company's prior written approval, using or intend to use the boat for a school party, youth group, hen or stag party or commercial purpose;

7.3.4 the Company considers that You or anyone on board is, or appears to be, under the influence of alcohol or illegal drugs;

7.3.5 You are unable to take charge of the boat for any reason that may adversely affect the safety of any person or property;

7.3.6 the Company considers that Your behaviour or the behaviour of anyone in Your party is likely to harm the environment or otherwise spoil the enjoyment and use of the waterways or otherwise harm the comfort or health of or cause offence to other guests, members of staff or waterway users; or

7.3.7 You or any member of Your party (or anyone invited on to the boat by You) has breached or is likely to breach the rules set out under Condition 10.1 or any of Your obligations under the Agreement, any applicable laws and regulations, or any other terms and conditions applicable to the boat which You have been told about.

7.4 In the event of termination in accordance with this Condition 7.3, You shall comply with the Company's request to make the boat safe and secure and thereafter leave it immediately. The Company shall be entitled to retain all amounts paid by you and You will remain liable to pay all other amounts due under the Agreement. Further, in the event that such amounts are insufficient to cover the Company's losses arising out of such termination, the Company shall be entitled to claim from You any loss or damage which it suffers.

8. HIRE PERIOD, COLLECTION AND RETURN OF BOAT

8.1 Subject to Condition 8.7 and save as it may otherwise notify you of in writing, the Company will use reasonable endeavours to make the boat available to You between 1300 and 1700 on the Start Date from the base shown on the Booking Confirmation or in the case of one way trips as otherwise indicated to You.

8.2 You must notify the Company of your estimated arrival time no later than seven days before Your Start Date, and thereafter notify the Company as soon as reasonably possible of any changes to Your estimated arrival time as this may lead to difficulties and delays in making the boat available to You. If you arrive late the Company may not be able to complete the handover till the following day. There will be no rebate of the Price for late arrival nor will the Company accept responsibility for any costs which you may incur if you fail to reach the boat during normal working hours.

8.3 Before You take over the boat the Company will give You such instructions, demonstrations and trials as are appropriate, and You will then be required to check and sign the Handover Certificate to indicate that these instructions and demonstrations have been understood.

8.4 If the boat is not available on the Start Date any reason outside the Control (including but not limited to any Force Majeure Event, adverse weather or navigation conditions, damage, mechanical breakdown, late return by previous hirer) the Company may substitute the boat with another boat with similar accommodation or at a different location by giving you written notice. If no such other boat is available or cannot be provided, the Company may terminate the agreement.

8.5 The boat must be returned to the location specified by the Company or as otherwise shown on the Booking Confirmation or notified under Condition 8.7 and vacated by You by 9.30am on the End Date and it is Your responsibility to allow sufficient time to ensure timely return.

8.6 If you return the boat late or to the wrong place, unless as a result of the Company's breach of the Agreement then You will be liable to pay:

8.6.1 £50 for every hour or part hour of the delay in returning the boat to the agreed return position;

8.6.2 any cost incurred by the Company in recovering the Boat to the agreed return position;

8.6.3 any other expenses and losses which the Company may incur as a result of the delay including, but not limited to, the loss or cancellation of a subsequent booking.

8.7 The Company reserves the right to change the place of handover and return for operational reasons. The Company will give You written notice of the change as soon as practical and will use reasonable endeavours to allow any necessary re-planning of Your itinerary.

9. INSURANCE

9.1 The Company insures the boat and its equipment against physical loss and damage and against public liability risks. You are entitled to any protection that may be afforded by the Company's insurance policy (subject to You paying any applicable policy excess if required under Condition 9.3) but You and members of Your party may become legally liable to the Company or to third parties for loss or damage caused or contributed to by Your deliberate or willful acts or omissions.

9.2 The Company's insurance policy does not cover personal accident or Your personal belongings and excludes the first £500 of any claim. You are strongly advised to take out Your own personal insurance cover.

9.3 The Price includes a non-reimbursable Damage Waiver which covers the Company's policy excess and any uninsured risks except where any loss or damage is caused by the deliberate or willful act or omission of You or any member of Your party (including where the person concerned is under the influence of alcohol drugs or any similar substance) or any failure by You to comply with these Conditions. In this case the Company has the right to make an additional charge no greater than £500 to cover the loss or damage.

10. SAFETY AND OTHER RULES

10.1 You agree to comply with the following rules at all times during the Hire Period:-

10.1.1 to ensure that at all times while the boat is being navigated or is transiting locks or movable structures the minimum age of both the operator on board and in charge, and of the person in charge of the lock or structure, is eighteen (18) years.

10.1.2 Not to tow or be towed other than in exceptional circumstances.

Canoes and bicycles may be kept on the boat roof providing that You place matting to protect the Boat's paintwork.

10.1.9 To allow the boat to be occupied only by the persons named in the Booking Confirmation.

10.1.10 Not to allow to be on the boat at any time more persons than the maximum number of berths and in no circumstances more than twelve (12) persons being the legal limit.

10.1.11 To give way to laden or unladen cargo boats, sailing craft, canoes, rowing boats and other human-propelled craft.

10.1.12 Not to take the boat onto sea or tidal waters without the written consent of the Company. To cruise only on canals and rivers approved by the Company.

10.1.13 Not to have or carry any live ball on the boat.

10.1.14 At all times to observe and abide by all regulations, bylaws and navigational limits and abide by the instructions and advice of the relevant Navigation Authorities and the Company and their respective officers and employees.

10.2 In addition to such restrictions on navigation as may from time to time be put in place by the competent authorities, for which the Company shall not be liable, the Company reserves the right, without liability, to restrict cruising areas or routes in the light of prevailing weather and navigation conditions.

11. RESPONSIBILITY FOR THE BOAT

11.1 You are responsible for the boat, its equipment and contents at all times during the Hire Period. Such responsibility includes the safe and lawful navigation of the boat.

11.2 You must keep the boat, its equipment and contents clean and tidy during the Hire Period.

11.3 You must notify and provide full details to the Company of any breakdown, damage, theft or loss involving the boat as soon as practically possible. You must not undertake or commission any repairs, adjustment or service without the Company's prior written approval.

11.4 In the event of any accident or damage involving the Boat or anyone on the boat, or any third party persons or property, You must:

11.4.1 Obtain and record the name of any other boats and the names and addresses of any other people involved on the form provided by the Company (when available);

11.4.2 Notify the Company as soon as practically possible with full details of the accident and any damage sustained;

11.4.3 Proceed in accordance with such instructions as the Company may reasonably give;

11.4.4 Not in any circumstances admit or allow any other person on the boat to admit liability to any other person.

11.5 Although the boat and its equipment are insured by the Company against some risks You remain responsible to the Company for any damage or loss arising from Your breach of this Agreement, or Your deliberate or willful acts or omissions.

11.6 In the event that the boat is run aground or is otherwise involved in a collision you will be responsible for arranging its refloating or otherwise freeing it from any entanglement, including removing all weed, rope or other matter from the boat's propeller and steering gear and you shall notify the Company of any such incident and keep it informed of developments related to such incident.

12. RIGHTS OF ACCESS

The Company reserves the right at any time to board the boat and access its accommodation to inspect it (including but not limited to where You have complained about the boat). If this happens, the Company will try to give You reasonable notice first, notwithstanding which You agree to allow the Company or their representative(s) or contractor(s) immediate access to the boat at any time.

13. HIREER'S PROPERTY

13.1 Vehicles may be left entirely at their owners' risk in the Company's car park or car parks made available for You by others. The Company will not be liable for any loss or damage to vehicles or their contents or for Your property on the Boat or elsewhere unless caused by the Company's negligence.

13.2 The Company may take such reasonable action as it shall consider necessary to silence your car alarm if Your car is left on or adjacent to the Company's premises and to recover any associated costs from You. This is inclusive of any requirements and obligations under the Noise and Statutory Nuisance Act 1993 and/or under the Clean Neighbourhoods and Environment Act 2005 and/or any other relevant legislation.

13.3 The Company will use reasonable endeavours to return to You any of Your property which it finds on the boat or otherwise on the Company's premises, provided that You notify the Company of such loss promptly and that You either arrange for its collection or agree to pre-pay for any postage and packing. Property not claimed within one month from the End Date may be disposed of by the Company.

14. FUEL

14.1 The boat will be handed over with a full fuel tank on the Start Date. The Price is inclusive of a tank of fuel. The Company reserves the right to make an additional charge for fuel consumed in exceptionally long journeys.
